

SWISS FINTECH: TWO NEW LICENSES ARE COMING

Switzerland is preparing for a new era of financial innovation.
Two new licenses will soon be available for fintech companies.

1. CRYPTO LICENSE

For crypto service providers

Legal certainty for crypto businesses

Services covered: custody, trading, exchange, transfer, asset management

Built on AML/KYC and investor protection standards

2. PAYMENT INSTITUTION LICENSE

For payment service providers

Enable payment services in Switzerland and across borders

Services covered: account services, money transfers, card issuing, acquiring and more

Strong consumer protection and regulatory compliance

WHY START PREPARING NOW?

The law is not yet in force, but preparation takes time.

By getting ready today, you will be able to submit your application as soon as the licenses become available.
